

## REPORT ON INFORMATION COLLECTED CONCERNING APPLICANT

Under section 60835 of title 2 of the California Code of Regulations, the Bureau of State Audits is responsible for collecting information concerning applicants for the Citizens Redistricting Commission that is needed by the Applicant Review Panel to perform its responsibilities. Pursuant to that regulation, Stephanie Ramirez-Ridgeway, Counsel for the Applicant Review Panel, requested information on behalf of the panel concerning an applicant being considered for selection to the Commission. This is a report by bureau staff in response to that request.

Name of Applicant: Melissa M. Brown.

Date of request to collect information: June 15, 2010.

Statement of request: In the answers that Applicant provided to the essay questions on the supplemental application, she indicated that she has a rather extensive employment history. However, in the "Employment History" section of the application, she only listed a single employer who has employed her for the past year. ARP Counsel therefore is asked the Bureau to find out whether Applicant has had additional employment during the past ten years and why Applicant failed to disclose these other employers as instructed on the application.

Response to request: In response to questioning by Bureau staff, Applicant stated that she had not reported her entire employment history for the ten year period, but this omission was an oversight. When she was filling out the supplemental application, she did not see that she could add information about additional employers. However, in response to being contacted by Bureau staff, Applicant has submitted an amendment to her supplemental application to provide the missing employment information.

Recommendations: None.

Name and title of person submitting report: Steven Benito Russo, Chief of Investigations.
